

Merri Loo Board Meeting Minutes

October 19, 2022

Amanda Update

- We have one new pre-k student joining us possibly Monday to bring the class count up to 20!
- No bites on nursery quite yet, and have possibly another joining Merri Loo, but pending contact.
- Photos from Mrs. Alica Jamrog is nothing but positive feedback! Pricing is fair, photos came out GREAT, so big thank you for a great picture day!

Fundraiser Update from Jenn

- Wreaths are next for fundraising, and we plan on doing the double-sided plain wreaths this year with Merri Loo personalizing them with bows! Red, buffalo style, and possibly some sparkly ones to have options available to all families. Pricing to come soon.
- Referencing back to school photos, we may utilize Sweet Ginger Photography (Alica Jamrog) for pictures with Santa? Something to think about and. come back to.

Board to refer to Jamie's emailed notes for financial updates

Shelby Update for Co-op Proposals

- Discussed options 1, 2, and 3 (refer to print out from Shelby) and had really good, constructive feedback.
- Will contact Goffstown High School in hopes to set up a tutorial/training for website coordinator to construct a more functional, up to date website.
- Will work on proper verbiage for next year's handbook/contract to alleviate any confusion regarding payment, responsibilities, and structure of classroom.
 - o This will need to be done BY DECEMBER for Amanda to update the paperwork.
- Thinking about doing a separate co-op preference sheet to go out with registration packet in February to help Amanda establish how many co-op jobs will/will not be available. The structure will help the school and incoming parents/students.

Heidi & Karyn Ideas

- Idea in the works: possibly starting up an afterschool program or summer camp for the 2023-2024 school year?
 - o Will need proper certification, so this cannot happen this year (2022-2023) or it will void their current certification.
 - o All board members are on board and fully support; Karyn and Heidi are to work out the hours and responsibilities and we will circle back to this come November/December.

Next board meeting: November 14 at 6pm
